37 acres (15 hectares)

**Owner:**  
The Decordi Family

**Established:**  
1921

**Location:**  
Motta Baluffi

**Province:**  
Cremona

### THE HISTORY

The story of Molo 8 began in 1921 with Quitico Decordi Sr. and his family who made their living in a small, family-run eatery that was known for serving the favorite local dishes.

In addition to his fabulous food, Quitico began producing his wine to serve in his restaurant. The local acclaim for the wines was so great that the family started focusing their efforts on winemaking, moving from simple house wine to crafting artisanal wines produced from local grapes. The Decordi's reputation for producing great wine grew and with it so did demand. In 1950, the family built a new winery.

Not content to rely solely on their reputation, the Decordi family has a history of innovation in the cellar. In 1964, the winery installed some of the industry's first automated bottling systems, and in 2007 a thermo-regulated warehouse was built.

### THE TERROIR

Today the winery continues to innovate and has received the prestigious UNI EN ISO 14001 environmental certification. This international certification is designed to recognize organizations that work to minimize how their operations affect the environment and take steps to continually innovate to prevent adverse changes to the air, water, and land.

**LAMBRUSCO MANTOVANO DOC:** 100% Lambrusco from Mantova. The vineyards are composed of a mix of clay, sand and silt and are located at an altitude of 98-492 feet above sea level. The grapes are vinified in stainless steel to preserve freshness and fragrance. Intense ruby red. The bouquet is persistent and fragrant with hints of black cherries and wild berries. On the palate the wine is aromatic, fruity and pleasantly sweet.
